

Dear candidate HOC,

This document helps you to structure and organise the most important parts of the REM 2018 events. Below you can find 13 questions, all about the preparation for the candidacy for REM 2018.

This document will be spread among the Country Representatives before the meeting during REM Vilnius.

It is possible and understandable that there are not yet answers to all the questions. You are still a candidate so all accommodation, venues, programs are still in a state of negotiation and preparation. But please try to fill out as much information as you have.

For instance, if you have two options for a place where the meeting will take place, mention both! If there are multiple ideas for a social event, describe them!

This document is to be filled along with the Bid Application document and sent to E.R.I.C. secretary at secretary@rotaracteurope.eu. If there are any questions left, please also refer to the Secretary email provided.

Good luck with your application

Yours in Rotaract,
E.R.I.C. Executive Board
