1. Update		
a. Marketing We should think of people who are for the first time at REMs – tell them that meetings and workshops are open for everyone.	Facebook of REM + ERIC should be enough	
Polos and hoodies <ul style="list-style-type: none"> <li>- how many we should make?</li> <li>- What design there will be?</li> <li>- How many CR/regular?</li> <li>- Which sizes? How to know? Collect pre-orders?</li> </ul>	Same design, color – cranberry. Amount – last year was 100 each. We need smaller sizes	
b. Social Alex still needs responsible persons for Social projects from all 3 events of the year.		
Jens will send the “welcome” email couple of days into July, and the leaflet should be there.	The deadline for the leaflet “buy one more” is now set for the team	<b>July, 1st</b>
