

## Project Template

### European Rotaract Information Center

Name of the project: Process Your Profession with Singer

Organizing club: Bademli Rotaract

Contact person: Nesliřah Erdem Gazi

Email address: neslisaherdem@hotmail.com

## **I. ANALYSIS, OPPORTUNITIES AND MAIN IDEA FOR THE PROJECT.**

### **1. ANALYSIS OF THE PROBLEM WE WANT TO SOLVE**

Our aim is to provide our unemployed women with a profession and benefit their economic development.

### **2. OPPORTUNITIES**

Ensure that our women have a profession.

## **II. HOW TO EXECUTE THE PROJECT**

### **1. ACTION GROUP**

Our club services coordinator made an agreement with a neighborhood of our city. We found our women who are not professional.

Afterwards, we contacted the Singer sewing machine brand. We arranged 2 certified classes of training.

### **2. DESCRIPTION OF THE PROJECT**

In our project, the Singer brand further promoted Rotaract in our collaboration. To provide education and vocational training to unemployed women, in cooperation with the Municipality, and to ensure their economic development.

### **3. GOALS OF THE PROJECT**

We aimed to provide training to 15 women in the neighborhood and we achieved this.

### **4. TARGET AUDIENCE**

Unemployed women

### **5. ACTION PLAN & TIME FRAME**

We implemented this project within two months. Our sponsor in this project was Singer. The Municipality provided the location. Since this project was voluntary, we did not make any payments.

### **Brief description of each step**

The difficult part in this project was to ensure the cooperation of the Municipality and to find non-professional women and gather them to meet at the same time.

## **6. RESOURCES**

To carry out this project in another country, it is enough to find non-professional women. We may need a sponsor to cover the travel expenses of the team that will come there.

## **7. BUDGET**

0

## **8. ORGANIZERS OF THE PROJECT**

@bademlirotaract

## **9. PARTICIPANTS**

We always participate in events and projects and it is very enjoyable.

## **10. SPONSORSHIP**

We contacted Singer sewing machines. They supplied us with sewing machines according to the number of instructors and people.

## **11. MEDIA COVERAGE**

We took part in the newspaper and the press with this project. We also posted on our social media.

## **III. RESULTS**

### **1. RESULTS AND OVERVIEW**

The project was very exciting for us. We had difficulty finding Contacts at first. But after finding them, it was great to give them training to help them gain a profession.

### **2. ADVICES**

It was about choosing the right women who did not work.

### **3. SUSTAINABILITY**

It is sustainable. In the next section, we are planning to plant recyclable products and plan a bazaar area for them to sell and make money.
